

RUTH AND ROBERT DICKEY

Sept-16-1920

The infant twins of Mr. and Mrs. Ray Dickey died within a few days of each other, one at the home of the parents and the other in the St. Luke's hospital in Aberdeen.

The twin babies were born Sept. 3, 1920. Robert died on the following day at 5 a. m., and the little girl, Ruth, was then taken to St. Luke's Hospital, but in spite of the efforts of the physicians to save her, the little life ceased, Sept. 13.

The funeral services were held from the Diedrich Undertaking parlors on Sept. 14, Rev. F. Wilke, officiating. Interment was in Groton cemetery.
